This table is a guide using the latest tariffs provided by electricity suppliers. The amount you pay per unit should be on your most recent bill or you can get this information from your current supplier. You should contact your preferred supplier to obtain more information about their tariffs, discounts and terms and conditions

Prices for 01/02/2024 12:55 including VAT of 5%. Some tariffs may be available to new customers only. (Annual cost is calculated using a typical annual consumption of 3,200kWh and is based on unit rate and standing charge where applicable including VAT at 5%)

The Consumer Council has a simple guide about switching domestic electricity supplier. This can be downloaded at [www.consumer council.org.uk](http://www.consumer council.org.uk) or a copy can be obtained by contacting our freephone number 0800 121 6022.
